RE: Form R Reporting

The Environmental Affairs Agency is the designated recipient of SARA Title III Section 313 reports (Form Rs) for the State of California. Under federal law, these reports were to be filed both with the U.S. Environmental Protection Agency (EPA) and the State Environmental Affairs Agency.

According to the EPA, they received from your company Section 313 reports for a facility or facilities located in California. To date, we have not received a copy of the report(s) that your company filed with the EPA.

Please submit a "sanitized", or non-trade-secret, copy of your Form R reports for all facilities located in California. We do not require an original signature (a photocopy is acceptable). Please send your reports to:

State of California
Environmental Affairs Agency
P.O. Box 2815
Sacramento, CA 95812

ATTENTION: SARA Section 313

Please submit the reports by January 1, 1989. A list of companies that fail to file with the State will be sent to the EPA in January 1989 for possible enforcement action.

I understand that these new reporting requirements are confusing. As we all gain experience with the program perhaps implementation will proceed more smoothly. In the meantime, if you have any questions please call me at (916) 324-8124.

Sincerely,

Dear Sir:

In comparing our records against the EPA's records regarding SARA Title III, Section 313 Toxic Chemical Release Inventory Reporting, we find that we have not received Form R's from your company for the years marked below:

1987

1988

☒ (Check means not yet received)

Compliance with SARA Title III Section 313 requires submittal of the Form R to both the federal EPA and the appropriate State Right-To-Know Office.

Please submit copies of these form R's by July 13, 1990 to:

SARA 313 Reports
Environmental Affairs Agency
P.O. Box 2815
Sacramento, CA 95812

If we do not receive these documents by this date we shall forward this information to EPA Region IX, which has enforcement jurisdiction in this area. Please call Ken Rydbrink at 916/322-2793 if you have any questions. Also, please send copies of your 1989 Form R's if you have not already done so.

Sincerely,

KC Rydbrink for CM Shulock
